

SOCIETY FOR PERSONALITY ASSESSMENT

Student Travel Grant Guidelines 2010 Annual Meeting

In an effort to encourage training of students and promote student participation in research and scholarly presentation in the area of personality assessment, the Society for Personality Assessment gives travel grants to students presenting a paper or poster at the SPA Annual Meeting. Travel grants are available for amounts up to \$200 to help defray the costs of travel to and from the Annual Meeting.

Eligibility

Students applying for travel grants must be the *first* author on a paper or poster already accepted for presentation at the Annual Meeting, and *must be a Student Affiliate member of SPA*, or apply for membership along with the Student Travel Grant Application. Students must also report other travel funding they will be receiving.

Application Process

Students should complete an application for a travel grant and send it to the SPA office no later than February 1, 2009. A faculty member at the student's institution must sponsor all applications. *Due to limited funds, not all applicants receive a travel grant. Also, many of the grants are quite small, so students should not expect full reimbursement for their travel.*

Award Process

Students will be notified as soon as possible after the application deadline whether they will receive a travel grant and in what amount. *Checks will be distributed at the Annual Meeting; please check in at the conference registration desk.*
