### **Licensed Psychologist/Senior Assessor**

The Center for Autism and Related Disorders, Inc. (CARD) is among the world's largest and most experienced organizations effectively treating children with autism and related disorders. With US and international reach, CARD touches the lives of hundreds of children and their families. Through a network of trained therapists, supervisors, assessors, and researchers, we develop and implement high quality, comprehensive and personalized treatment programs which lead to success, and in many cases recovery.

CARD was started in 1990 by renowned psychologist and early researcher of autism, Dr. Doreen Granpeesheh. She designed a unique treatment curriculum based on the Applied Behavior Analysis (ABA) method and built an organization of dedicated and trained staff. Currently CARD has 18 US-based offices serving in the following states: California, Texas, New York, Arizona, Illinois, and Virginia; and 3 international offices: Australia, New Zealand and England. CARD's goal is to become the worldwide leader of top-quality autism treatments.

CARD is currently recruiting a qualified Senior Assessor to conduct baseline and functional assessments to determine current level of functioning for children with and without autism. Some research hours will be required. Assessors report to the Director of Assessments. This position is an exempt full time opening. Part time availability will be considered. This is an opportunity to join a highly skilled team of professionals who are the leaders in the field of autism.
